SECOND INFORMATION DISCLOSURE STATEMENT

Respectfully submitted herewith is a copy of a European Patent Office Search Report (3 pages) together with copies of its 7 cited references.

In the European Patent Office Search Report the references listed with an A mean these references define the general state of the art which is not considered to be of particular relevance with respect to the listed claims. The references listed in category Y mean each of these documents together with other document(s) of the same category are of particular significance with respect to the listed claims. The reference listed in category x means this reference is of particular significance considered alone with respect to the listed claims. The references listed in category E mean these documents are older documents which however were first published on or after the application date.

In the European Patent Office Search Report the words

"Einschlägige Dokumente" means relevant documents, "Kategorie"

means category, "Kennzeichnung des Dokuments mit Angabe, soweit erforderlich, der massgeblichen Teile" means designation of the documents with statements as far as necessary of the relevant parts, "Betrifft Anspruch" means concerning claim, "Spalte" means column, "Zeile" means line and "Seite" means page and "Abbildungen" means Figs. or illustrations. Since this translation now points out in English the relevant portions of the citations listed in the European Patent Office Search Report, and the US patent, the two Great Britain Patent Applications and the European Patent applications EP 0 926 021 and EP 0 802 497 are in the English language, no further concise explanation is required.

A PTO-1449 form is presented to list all 7 submitted references.

Translations of the foreign language references are not available to the undersigned.

A Certification under Rule 97(e) is presented herewith.

This submission meets the requirements of 37 CFR §1.56, 1.97 and 1.98(a) and MPEP 609.

Respectfully submitted,
